8. The Al Jahra Automatic Car Park in Kuwait is fully automated

The Al Jahra Automatic Car Park in Kuwait is a car park with a difference. It is also one of the world's most advanced as it is, more or less, completely automated.

Drivers simply drive their cars into place, lock their cars, and the special automated lifts store your car for you in giant car racks. It is also something of a record-breaker.

"It became official in 2018. For the second time, a Robotic Parking Systems' facility was awarded the Guinness World Record for the Largest Automated Parking Facility in the world – **2,314 spaces.**" – Al Jahra Court, Kuwait.
